Subject:- Training Management Portal

Sir,

This is with regard to the aforementioned subject. In this regard it is informed that MoPR has introduced **Training Management Portal** Software vide which every single entry related to training has to be entered in this particular software.

Thus there is a need to create a pool of master trainers at the District Level. These Master Trainers will be those who imparts trainings. The said master trainers will further train the ToTs like Panchayat Inspectors and Sub-inspectors at the Block Level.

You are, therefore, requested to organise this training online. Programmer PRTI Mashobra is well aware of this software. These trainings can also be organised in DPRC Solan as per their convenience. Programmer, PRTI Mashobra also needs to be made responsible to this data so that a requisite information can be forwarded to MoPR from time to time.

Yours Faithfully
